**IT'S ELECTION
TIME AGAIN!**

As the last few weeks of my term in the Office of President of the Volunteer Chapter ABPA are winding down, I want to take this opportunity to thank each and every one of you for your participation in this organization.

From my point of view, it takes each and every one of us working together to achieve our goals. Let us continue our endeavor to further protect the quality of our drinking water across our great State.

Please join me in congratulating our newly elected Officers, as they prepare to begin their term of service. The election results will be announced at the November meeting in Knoxville. The new Officers will be installed at the first meeting in 1997.
