Please complete and return your ballot by December the 31st. Please note that there are only one nominee for each office. There is a provision for a write-in candidate, if you prefer. Election results will be announced at the Chapter Meeting: March 20, 1997.

Our Bylaws state we can only accept ballots from members in good standing. Chapter dues are \$15.00 annually, in addition to the Association dues. Please support your local Chapter with your dues.
