TBPA Mission Statement

The mission of the Tennessee Backflow Prevention Association is to protect drinking water quality in the State of Tennessee by providing for education, statewide training, standardized certification, technical assistance and resources to our membership and the general public.

President's Message

Hello Tennessee Backflow Prevention Association members! It is my honor to serve as your President for the next two years. I would like to thank the previous Board members for their service and hard work and I would also like to welcome our new officers: Bradley Tomlin with Jackson Energy Authority as Vice President, Kim Pritchett with Tennessee American Water Co. in Chattanooga as Treasurer and David Wright with Memphis Light Gas and Water as West Tennessee Director.

By the time this newsletter goes to the printer, I will have returned from the American Backflow Prevention Association Conference. I hope while I am there to talk to other chapter presidents about their annual conferences and bring back new topics and ideas for ours. As always, we would like to hear from you if you have any ideas or suggestions for our annual conference. Our contact information is available on our website: www.tnbackflow.com.

This year's TBPA Conference will be held October 13th and 14th in Chattanooga with the Board Meeting on the 12th. Members registering before September 1st will be eligible to win a \$200 gift card. The registration deadline is October 5th to avoid a late fee. Again, you can go to the TBPA website or find more information in this newsletter.

Spring brings an increase in irrigation systems being brought back into service and other water needs that water purveyors supply to the public. What better time than now to ask someone you know to join our association.

We would like for you and your friends to join us at our next Board meeting on April 6th at 10:00 AM at Murfreesboro Water Plant.

Wayne Osborne
TBPA President

The Tennessee Backflow News is published quarterly by the Tennessee Backflow Prevention Association, whose members have a common interest in protecting the drinking water from contamination through cross connections. Your ideas, experience and expertise are invited and needed by the TBPA to insure a balanced approach to backflow prevention in the State of Tennessee. Your participation and support will continue to help shape the future of this industry in Tennessee.

Opinions expressed in articles, letters or advertisements in this publication are not necessarily those endorsed or supported by the TBPA. The content of this newsletter is not to be considered as legal or professional advice. Dues are \$85 annually. Annual dues include \$20 for Tennessee and \$65 for National ABPA dues. National membership is required for Tennessee membership.

TBPA WEST SECTION NEWS

I'm very excited to be a TBPA member and for the opportunity to serve the West Tennessee area. Attending our conferences and meeting the people that share this industry have been very helpful to me. They are very informative and always willing to lend a hand and as a new guy I'm very thankful.

There have been many situations pertaining to water in our country lately and with this attention more of the public has become educated and they are now ready to reinforce our industry's safe guarding of drinking water. To those in our Industry, I thank you all for who you are and what you do. If I can be of any assistance please feel free to call.

David Wright
West Section Director

David speaking at the TBPA 2015 conference

ABPA Selects Association Resources for Association Management Services

Following a five-month search process, the ABPA Board has selected Association Resources, Inc. to provide support for their business operations.

They will handle administrative and membership services, certification, chapter support, accounting and financial management, conference and event management and communications for ABPA.

Association Resources has worked with professional associations since 1983 and is an international leader in association management services.

TBPA MIDDLE SECTION NEWS

I hope everyone is having a good start to your summer. It seems like it gets here quicker every year. If you test outside, please protect yourself from the sun by wearing a hat and using sunscreen.

This year's TBPA Conference will be held in Chattanooga on October 13th and 14th. Take advantage of the chance to win a \$200 gift card by registering before September 1st. The registration deadline is October 5th to avoid a late fee. This year's conference will be held at the downtown Doubletree by Hilton. Room rates are \$149/night and parking is \$10/night. I hope you all can make it. I think we will have another great conference!

Remember to submit your nominations for Awards this year. We want to be sure to recognize those who have contributed to making our association a success.

NOMINATIONS FOR ANNUAL TBPA AWARDS

Nominations should include a brief explanation stating the qualifications of the person / company being nominated.

- Individual Award (Robert Lashlee Award):**
Must have excelled over a number of years in the field of cross connection or the backflow industry. Recipient will be given a lifetime membership to TBPA.
- Individual Award:** Must have contributed outstanding work within the TBPA organization in the last 12 months. All nominees must be a member in good standing of TBPA.

- Company or Water Purveyor Award:** Must have excelled within the field of cross connection and promoted TBPA within the last 12 months. All nominees must be a member in good standing of TBPA.

If you know of someone who meets these requirements please nominate them for an award. We are proud of our state and the contributions our members have made to the field of backflow and want to recognize their hard work.

Send nominations to:

David Risner at drisner@murfreesborotn.gov or
phone for mailing instructions: 615-848-3222.
Please submit nominations before October 1, 2016

Nominations committee members:
David Risner, Bradley Tomlin, and Chase Layne.
